

Week 4: What to do 5/8-5/12

Digital:

Lesson videos:

You Tube: Understanding Quadratic Equations: https://www.youtube.com/watch?v=VdVPg04t_6w

Refer to the Non-Digital notes as well. They can be very helpful as well.

Assignments:

Worksheet on finding the axis of symmetry and y-intercept from factored form (Do it on a separate sheet of paper, take a pic and email it to me)

Summary Assignment (Can print it or do it on a separate sheet of paper, take a pic and email it to me)

If you can do the digital, please do so. If you can't, then work on the non-digital as an alternative.

Non-Digital:

Notes and assignments are posted on the website as Non-Digital Alternative Assignment, and hard copies are available at site to be picked up.

If you have questions, please feel free to email me or contact me through the Remind App.
